ABOUT THE INSTITUTION

Kasthurba College for Women the erstwhile Villianur College for Women was established in the year 2005 under the aegis of Pondicherry Society for Higher Education wholly run by the Government of Pondicherry to cater to the higher educational needs of the women students hailing from rural background. As the region of Puducherry previously had only one exclusive college for women that too in the centre of the town; it was very difficult for the students hailing from the rural areas around Villianur to reach the height of higher education even after scoring well in higher secondary.

As it has ever been the vision of the Government of Puducherry to provide quality higher education to all aspiring women students irrespective of their socio economic background this college was established with two need-based and society-based departments namely B.A History and B.A Social Work.

From the academic year 2019-20, B.Sc. Psychology has been introduced for the abundant work opportunities it offers. The intake from the academic year 2019-20 is 180 (60 per department) which will ultimately bring the college strength to 540.

Ever since the inception, with the assistance of 12 dedicated and highly qualified faculty the vision of the Government of Puducherry is being fulfilled and our students have excelled in various activities across the nation. Our alumni are well employed in various Government and Non-Governmental Organisations across the U.T. of Puducherry and Tamil Nadu.

The faculty members have published books, and articles in a number of reputed journals. So far, with the available resources, the college has made giant efforts to empower rural women students with higher educational needs and extra ordinary cc-curricular skills. With extra and improved infrastructure facilities the institution will be able to contribute a lot in the years to come.
